## NOTICE TO ALL HOMEOWNERS

---

---

**FROM:** Vicki Mitten - Community Manager  
**DATE:** March 22, 2010  
**RE:** Tennis Court Usage

---

Spring has sprung at Wintergreen and unfortunately so has the misuse of the Tennis Court.

To reiterate...the Tennis Court is for playing Tennis ONLY. This means there is to be NO baseball playing, hockey playing, dog walking or any other activity other than Tennis.

**If you see the tennis court being misused in any way, your first phone call should be to the Evesham Township police. Your next step is to forward to this office an official written complaint (e-mail is acceptable). This complaint needs to include who is using the tennis court, when it is being used and what activity they are doing (Other than Tennis).**

The only way the Association can put a stop to this activity is with all residents following this protocol.

Thank you in advance for your cooperation.
